

...we will walk in the name of our God for ever and ever. Micah 4:5

## Wes is on the go...

Wes has been traveling with Rev. Stephen Banda and Pastor Ephraim Mvula preaching and teaching in conferences throughout Malawi and Zambia. The focus has been on principals of leadership and renewal. He has been speaking at pastors seminars in Malawi and youth conference at the Heart of Africa mission in Kitwe Zambia.

Wes presented the Jesus video in the national language of Chichewa at a conference in the village of Lumbadzi where just over a hundred people came and sat under the trees outside to watch.

Special thanks to the Swift Current Full Gospel church with their assistance we were able to help the Walaranji church put on a roof. The pastor said that with the roof on they have become the central spot in the village. They are excited to share the gospel with so many around them. Wes was able to grab a hammer and entertain the men around him as he pounded nails. A great way to get to know the people.

**...building relationships – touching lives...**

Wes enjoys being out with the people; caring, sharing and working together.

## Prayer Requests

### ► A busy New Year...

We have visitors lined up from now until May. Pray that we can assist teams in their desire to aid Malawi. This month brings 5 visitors who will be doing children's ministry. We will be distributing over 1000 Bags of Hope. We will also be distributing food relief like maize, chickens and goats.

### ► Back to School

Tembi and Karis are back to home school after a much deserved Christmas break. Pray that with all the visitors mom doesn't lose focus on getting the school work done!

### ► Continued Safety

We have had repeated attempts by gangs of robbers to get into our yard. Pray that God keeps us safe at this very dangerous time.

## Praise Reports & Updates

### ► Christmas Conference at Biwi

Biwi church hosted an evangelistic Christmas conference that they asked Wes to preach at. He was able to show the Jesus video.

### ► Thanks to you...

Because of your faithfulness to the Lord and to our family we have been able to continue to serve the Lord as missionaries in Malawi. We value your sacrificial financial support and your continued prayers. You are a large part of what God is doing in Africa!

### ► God's Protection

With the repeated robbery attempts we praise God that we have not been harmed. When our security walls fell down because of torrential rains the Lord provided us with his peace and safety. Although there have been some sleepless nights we know that God has us in His hand and our trust is in Him.
