

In Malawi

Feb./March 2009

# JONATS 4 AFRICA

...we will walk in the name of our God forever and ever. Micah 4:5

## GOD ANSWERS PRAYER:

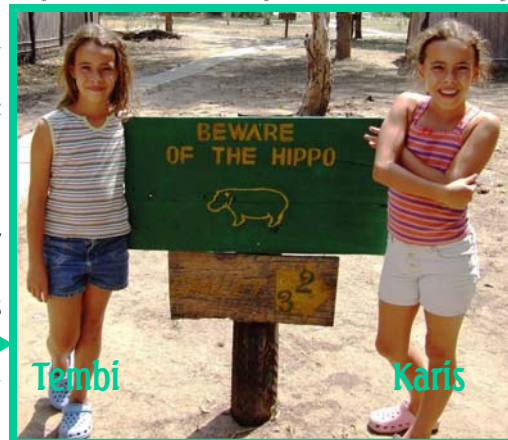

Wes is dropping off sacks of maize but he had to dig the truck out before going to the next village.

- We have found a house! We are moving this month, the house needs lots of TLC but we praise God for providing something in our price range in a city where rental prices are soaring.
- ACOP sent over \$14,000 in famine relief and assistance for Malawians affected by food shortages, many families, individuals and churches have received funds for fertilizer, seed, food, and other much needed assistance.
- Teaching has resumed at Mponela mission station, this allows working pastors and church elders to come together for Bible teaching. Wes is teaching Acts and Stephen Banda will teach Fundamentals of the Faith.

## PLEASE REMEMBER TO PRAY FOR:

- Pray for God to raise up new and creative ways to reach people with the gospel of Jesus Christ
- Pray for Wes as he teaches the pastors and leaders the truth of word of God.
- Pray for our move to go smoothly and that God's protection will be upon us at the new house.
- Pray for the people of Malawi that are so desperately poor but who have a faith in God that is gloriously rich!
- Pray for the young missionaries living on foreign fields as they serve God in their unique ways.
- We pray for each of you that partner with us because you make a difference in the lives of so many.
